

**Minutes of the Board Work Session
East Sac County Community School District
Board of Education
July 11, 2017**

The work session started at 6:00 p.m. at the East Sac County Elementary School - Sac City. Present were Mahler, Rodman, Stoltenberg, and Wellington. Lynch joined the work session at 6:10. Also present were Mrs. Kruthoff, two visitors, two media representatives, and one staff member.

The purpose of the work session is to continue discussions about a process called QLEO (Quantified Learning Environments Outcomes) Analysis to help compare and contrast different building arrangements for our school district and develop a facilities master plan.

The discussion centered around different building arrangements that should be evaluated. The Board talked about everything from one new facility to the current four building arrangement. Additionally, different combinations of two and three building arrangements were discussed.

In a future work session, the Board will continue this discussion and select several arrangements to be evaluated by the QLEO process.

The work session adjourned at 6:55.
