East Sac County Community School District  
Board of Education  
September 18, 2017**

The work session started at 6:00 p.m. at the East Sac County High School - Lake View. Present were Mahler, Rodman, and Stoltenberg. Lynch and Wellington were absent. Also present were Mrs. Kruthoff, Mr. Litterer, two visitors, one media representative, and four staff members.

The purpose of the work session is to continue the QLEO Analysis to help compare and contrast different building arrangements for our school district and develop a facilities master plan. The analysis includes 30-year life cycle costs and any construction/remodeling costs.

Representatives of BLDD Architects reviewed the additional analysis done on the 10 least expensive scenarios that the Board had reviewed at the last work session. Through discussion the Board requested additional information on 5-6 of the scenarios that seemed the most favorable.

The next work session was scheduled for October 19 at 6:00 p.m.
