

**Minutes of the Board Work Session
East Sac County Community School District
Board of Education
December 18, 2017**

The work session started at 7:00 p.m. at the East Sac County Elementary School – Sac City. Present were Mahler, Rodman, Stoltenberg, Wellington and Wilhelm. Also present were Mrs. Kruthoff, Mr. Fischer, two visitors, one media representative, and one staff member.

Representatives of BLDD Architects reviewed a case study showing an example of how facility improvements can be done in phases to spread out any costs involved and have minimal disruption to the educational process.

The Board discussed our enrollment data and how we may be better suited to three section class sizes in some grades instead of the current four sections.

The next work session will help to determine additional information needed from BLDD to continue the facility planning process.

The next work session was scheduled for 1/15/18 at 6:00 p.m at the East Sac County High School – Lake View.

The work session adjourned at 7:45.
